God doesn't want us to be shy with his gifts, but bold and loving and sensible.

MomSense: Bold – Loving - Sensible

Welcome ladies to a new year of fun and adventure. It's time to get our game on as we develop our God-given mom skillz.

As co-coordinator, I am excited to welcome you to MOPS, Mothers of Preschoolers, this fall. Our MomSense theme will provide encouragement to us all as we discover the gifts we already possess to be the kind of Bold, Loving and Sensible moms God has designed us to be. We have planned a year of fun and informative programs with plenty of time to get to know others who are walking in the same shoes. Crafts and special events round out our expectations for a great year. We just need **you** to come be a part of MOPS from 9:30 to 11:30 on the first and third Wednesday's of each month!

MOPS 2011-2012 Theme

This year's theme, MomSense, equips moms to embrace their mothering instincts and develop their own parenting style while navigating through the myriad of daily mom decisions. Most women wonder:

- How do I decide what to do when I really don't know what to do?
- Should I trust my intuition?
- With so much available information, how do I discern what's best?
- What are the most important family values?

Developing a mothering strategy is somewhat like playing a game — and this year's theme is appropriately game related. Have fun being a mom! Playing games involves being bold and taking risks, loving those in the game with us and being sensible while figuring out what works and what doesn't. Just as in real-life, sometimes in games, unexpected, "chance" events occur, abruptly changing our paths. We must regroup and determine our next steps. *(continued on page 2)*
